To mark Instagram's 10th birthday, we've created an infographic highlighting the most popular destinations worldwide according to the posts on Instagram – with London topping the list, followed by Paris and New York. Cape Town ranked 44th globally. The app is still growing in popularity and setting trends. In fact, increasingly travellers choose destinations, hotels, and even restaurants based on how “Instagrammable” they are.

Cape Town ranks as one of Instagram's most popular destinations for 2019.

Unsurprisingly, most of the photographs shared in this beautiful tourist hotspot are of the scenery, including Table Mountain, the ocean, wine estates, and much more.

Report: [Instagram's most popular worldwide destinations for 2019](#) based on the number of posts published in the app for various destinations.

Here is the full category breakdown for Cape Town:

Category	Percentage
Selfie	10%
Scenery	30%
Couple	3%
Couples	11%
Shopping	2%
Group	15%
Wildlife	4%
Alcohol	2%
Sexually suggestive	5%
Marketing	15%

London topped the list as the most popular destination in the world, stealing the top spot from New York which topped the list when this investigation was last conducted in 2016. For 2019, Paris takes the second position and New York comes in third.

The full list of the top ten according to Instagram popularity for 2019 include:

City	Country
1. London	United Kingdom
2. Paris	France
3. New York City	USA
4. Dubai	UAE
5. Istanbul	Turkey
6. Jakarta	Indonesia
7. Los Angeles	USA
8. Barcelona	Spain
9. Moscow	Russia

10. Tokyo	Japan
-----------	-------

London and Paris weren't the only destinations to move up on the list. Istanbul has moved from 6th to 5th place, and Barcelona has moved from 9th place to 8th place in 2019. The Turkish tourism industry has been recovering over the last couple of years as security in the country has been strengthened, while Barcelona's tourism has been bolstered by increased flights to the destinations.

New entrants into the top ten include Los Angeles in the USA, Jakarta in Indonesia, and Tokyo in Japan. Jakarta has been named one of the fastest growing cities in the world by the World Travel and Tourism Council (WTTC), while Japan has also enjoyed rapidly growing tourism over recent years due to relaxed visa requirements and increased flights to Japan by low-cost carriers.
